### Management's Responsibility for the Financial Statements

The accompanying financial statements of Six Nations of the Grand River ("Six Nations") as at and for the year end March 31, 2016 are the responsibility of Six Nations' management and have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards. A summary of the significant accounting policies are described in Note 1 to the financial statements.

Six Nations' management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Six Nations Elected Council meets with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by KPMG LLP, independent external auditors appointed by Six Nations. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on Six Nations' financial statements.

On behalf of the Six Nations Elected Council:

### **INDEPENDENT AUDITORS' REPORT**

To the Six Nations Elected Council and Members of Six Nations of the Grand River

We have audited the accompanying consolidated financial statements of Six Nations of the Grand River, which comprise the consolidated statement of financial position as at March 31, 2016, the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Six Nations of the Grand River as at March 31, 2016, and its consolidated results of operations and its consolidated change in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Consolidated Financial Statements

Year ended March 31, 2016

### 1. Significant accounting policies:

The consolidated financial statements of Six Nations of the Grand River ("Six Nations") are prepared by management in accordance with Canadian Public Sector Accounting Standards ("PSAS") as recommended by the Chartered Professional Accountants of Canada, and as required by Indigenous and Northern Affairs Canada ("INAC"). Significant accounting policies adopted by Six Nations are as follows:

### (a) Basis of consolidation:

#### (i) Consolidated entities:

The consolidated financial statements reflect the assets, liabilities, revenues, expenses and fund balances of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to Six Nations and which are owned or controlled by Six Nations Council. These entities and organizations include:

H.C. Peatson Education
Ottawa Trust Fund
Economic Development Fund
Six Nations Commercial Leasing

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated upon consolidation.

#### (ii) Trust funds:

Trust funds and their related operations administered by Six Nations are not included in these financial statements.

### (b) Basis of accounting:

Six Nations follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

#### (c) Investments:

Investments consist of bonds and interest bearing mutual funds and are stated at the lower of cost and market value. Gains and losses on investments are recorded when realized.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2016

### 1. Significant accounting policies (continued):

### (d) Housing loans receivable:

Housing loans receivable consist of loans to Six Nations' members and bear interest at the rate of 7% or 0% per annum. Housing loans receivable are recorded at fair value, with the differences between fair value and face value recorded as grant expense. Interest on 7% loans is recorded when earned. Housing loans receivable are considered impaired when management has determined that there is a reasonable doubt as to the ultimate collectability of principal and interest. At the end of each reporting period, Six Nations evaluates its housing loans receivable and establishes an allowance for doubtful accounts on a loan-by-loan basis for specifically identified probable losses on loans receivable.

#### (e) Other loan receivable:

The non-interest bearing loan receivable to the Six Nations Police is recognized at the present value of the principal payments using Six Nations' average cost of borrowing. The difference between the face amount of the loan and present value is amortized into income over the term of the loan.

### (f) Investment in Six Nations Natural Gas:

The Investment in Six Nations Natural Gas has been accounted for on a modified equity basis, consistent with the accounting treatment for government business partnerships. Under the modified equity basis, the business enterprise's accounting principles are not adjusted to conform with those of Six Nations, and inter-organizational transactions and balances are not eliminated. Six Nation's share of the partnership is 99%.

### (g) Non-financial assets:

Non financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2016

### 1. Significant accounting policies (continued):

- (g) Non-financial assets (continued):
  - (i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land improvements	10 - 40
Buildings and building improvements	4 - 40
Houses	25 - 40
Vehicles	10
Bridges	40
Machinery and equipment	5 - 25
Office equipment and furniture	2 - 10
Water and wastewater networks	12 - 65
Water and wastewater equipment	10 - 65
Roads infrastructure - Base	40
- Surface	20 - 30
Computer hardware and software	3
Leasehold improvements	over the term of the lease

Amortization commences in the month of acquisition. Assets under construction (work-inprogress) are not amortized until the asset is available for productive use. Assets are disposed of when they are no longer in use by Six Nations.

### (ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

### (iii) Intangible assets:

Intangible assets and natural resources that have not been purchased are not recognized as assets in the financial statements.

### (iv) Interest capitalization:

Six Nations' tangible capital asset policy does not allow for the capitalization of interest costs associated with the acquisition or construction of a tangible capital asset.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2016

### 1. Significant accounting policies (continued):

### (g) Non-financial assets (continued):

### (v) Leases:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases, whereby leased assets are valued at the present value of the future minimum lease payments and presented as tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenditures as incurred.

#### (vi) Inventory:

Inventories held for consumption are recorded at the lower of cost and replacement cost.

### (h) Reserves and reserve funds:

Certain amounts, as approved by Six Nations' Council are set aside in reserves and reserve funds for future operating and capital purposes. Transfers to and/or from reserves and reserve funds are an adjustment to the respective fund when approved. Reserves and reserve funds are presented on the statement of financial position in accumulated surplus.

#### (i) Government transfers:

Government transfers received or receivable are recognized as revenue when the transfer is authorized, any eligibility criteria are met, and a reasonable estimate of the amount can be made unless they meet the definition of a liability. Government transfers paid are recognized as a liability and an expense when the transfer is authorized and all eligibility criteria have been met by the recipient.

Government transfers received relate to social services, child care, housing and health programs. Government transfers paid relate to social services programs.

### (j) Ontario First Nations Partnership Agreement (OFNLP):

OFNLP transfers received or receivable are recognized as revenue when the transfer is authorized, any eligibility criteria are met, and a reasonable estimate of the amount can be made unless they meet the definition of a liability. OFNLP transfers paid are recognized as a liability and an expense when the transfer is authorized and all eligibility criteria have been met by the recipient.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2016

### 1. Significant accounting policies (continued):

#### (k) Deferred revenue:

Deferred revenue represents revenues which have been collected but for which the related services have yet to be performed or eligible expenses incurred. Deferred revenue is comprised of general deferred revenue, security deposits for public works customers and rental clients, government transfers and project funding. Other externally restricted funds are recognized as revenue when the funds are spent for the purpose intended.

#### (I) Investment income:

Investment income earned is reported as revenue in the period earned.

### (m) User charges:

Rent is collected for the rental of apartments, townhomes, and houses. Rental income is recorded when it is earned. Provision is established for specifically identified probable losses on rental income.

'Home ownership' (Rent-to-own) income is classified as deferred revenue when received in accordance with PSAS, as amounts are deposited on future purchase. Revenue is recognized when the ownership of the property is transferred to the tenant of the property and is accounted for as a disposal of a tangible capital asset.

Accommodation charges are collected for room rentals at Iroquois Lodge. Accommodation charges are collected when earned. Provisions are made for specifically identified losses on accommodation charges.

Other user charges are collected for water and septic services provided by Public Works Department. Other user charges are collected when earned. Provisions are made for specifically identified losses on other usage charges.

### (n) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating provisions for accounts receivable, housing loans receivable, accrued liabilities and deferred revenue. Amounts recorded for amortization of tangible capital assets are based on estimates of useful service life. Actual results could differ from these estimates.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2016

### 1. Significant accounting policies (continued):

### (o) Employee future benefits:

The Company has defined contribution plans providing pension and post-employment benefits for its employees. The cost of the defined contribution plans is recognized based on the contributions required to be made during each period. Contributions are expensed in the period incurred.

#### 2. Investments:

Investments reported on the consolidated statement of financial position have market values as follows:

		2016	2	2015
	Cost	Market Value	Cost	Market Value
Investments	\$24,117,725	\$24,828,270	\$23,753,739	\$24,416,214

#### 3. Accounts receivable:

Accounts receivable are reported net of a valuation allowance of \$610,170 (2015 - \$538,705).

#### 4. Housing loans receivable:

Housing loans receivable represent principal and interest amounts currently owing. These loan agreements are secured by the members' reserve property. The housing loans receivable on the consolidated statement of financial position, are made up of the following:

	2016	2015

Other deferred revenue includes funds (donation and project funding) received for specific purposes and will be recognized as revenue when the related expenditures for the purpose specified have been incurred.

### 8. Employee benefits and other liabilities:

Six Nations provides to substantially all of its employees a defined contribution pension plan. The plan is a contributory plan with funding of benefits based on the related employee's earnings. Six Nations matches employee contributions to a maximum of 4.05%. Contributions vest after two years of service with Six Nations. Once the contributions vest, employees may receive benefits upon retirement or termination of their employment. Six Nations recognized an expense during the year related to its portion of the contributions of \$803,619 (2015 - \$794,240).

### 10. Tangible capital assets (continued):

### Work in progress

Work in progress assets having a value of \$8,751,859 (2015 - \$5,376,070) have not been amortized. Amortization of these assets will commence when the assets are put into service.

### **Contributed Tangible Capital Assets**

Contributed capital assets have been recognized at fair market value at the date of contribution. The value of contributed assets received during the year is \$nil (2015 - \$nil).

### **Tangible Capital Assets Disclosed at Nominal Values**

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned, other than described below.

### **Works of Art and Historical Treasures**

Six Nations holds several historical buildings which are recorded at nominal value.

### 11. Accumulated surplus:

### 16. Segmented information:

Segmented information has been identified based upon functional areas by Six Nations. The functions have been separately disclosed in the segmented information as follows:

### (i) Central Administration and Committee of the Whole:

Central Administration and Committee of the Whole consists of the general management of Six Nations, including adopting bylaws and policy, and providing administrative, human resources, information technology, and communication support, and financial services and programs that benefit the community as a whole such as land claims and Ontario First Nations Limited Partnership Agreement funds.

#### (ii) Physical and economic development:

Physical and economic development segment is responsible for the physical assets of the community and to generate economic development within the community. It includes planning, design, operation and maintenance of the roadway system; street lights; the engineering and operation of the water and wastewater systems and waste management. Additionally, Six Nations is committed to providing and advocating for secure, affordable housing in Six Nations, and buildings for commercial lease.

### (iii) Human and emergency services:

Human and emergency services offer a range of programs related to wellbeing of the community. Included in human and emergency services are: lands and memberships; health services that includes protection and promotion, disease and injury prevention; ambulance and fire services; day care; welfare and innovations; social and correctional services; the maintenance and operation of parks and open space; and the Iroquois Lodge.

Notes to Consolidated Financial Statements (continued)

### 16. Segmented information (continued):

Certain allocation methodologies are employed in the preparation of segmented information. User charges and other revenue have been allocated to the segments based upon the segment that generated the revenue. Government transfers have been allocated to the segment based upon the purpose for which the transfer was made.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

Note: User charges include facility rental fees, water & sewage charges, septic rentals and lodge accommodations.

### 17. Budget data:

The budget data presented in these consolidated financial statements are based upon the 2016 operating and capital budgets approved by Six Nations Council. The chart below reconciles the approved budget to the budget figures reported in these consolidated financial statements. Budgets established for tangible capital asset acquisitions are on a project-oriented basis, the costs of which may be carried out over one or more years. As such, it is not practical to present annualized budget information for the acquisition of tangible capital assets on the statement of change in net financial assets.
