A MESSAGE FROM THE CHIEF

On behalf of Six Nations Elected Council, I would like to welcome you to the 2018 Six Nations Community Awareness Week. This year's events are scheduled to take place from May 12th to May 25th, with our Annual Bread and Cheese Day celebration taking place on Monday, May 21st.

Our community has a rich history, with many successful businesses, helpful organizations and talented members. The events during Community Awareness Week provide an opportunity for the departments of Six Nations Elected Council, local businesses, schools and other organizations to showcase their many skills and to share their services with the community. I encourage you all to participate in these events; it is a step towards making our community a healthy and safe place to live.

We would also like to acknowledge the Community Awareness Week Committee for all the hard work they have undertaken to organize the various events, as well as the departments, local businesses, schools and organizations who have taken the time to make arrangements for another successful Community Awareness Week.

We look forward to seeing you at the Elected Council Charity BBQ on Friday, May 25, 2018 at Central Administration (1695 Chiefswood Road) beginning at 11:00 am.

Have fun!
