INFORMATION:

Topic No. 1

How can we best utilize the Brantford Casino Deal money for Six Nations?

In December of 2017, the Elected Council entered into a tentative agreement with the Province of Ontario in response to Six Nations interest regarding Ontario's duty to consult on a transaction involving the Brantford Casino. The agreement will trigger annual payments of \$4.5 million to Six Nations for the next 20 years. We would like your feedback on how you feel we can best utilize this money for the benefit of our community.

Topic No. 2

What are your thoughts on the legalization of cannabis?

Six Nations Elected Council has established a Cannabis Taskforce and is in the process of developing a policy focusing on community well-being, in preparation for legislative amendments surrounding the use of cannabis (marijuana). We would like you input on the legalization of cannabis and how you feel it will impact our community.

We look forward to seeing you at the meeting!

Refreshments will be made available.
