NEW IDENTIFICATION REQUIRED:

- One (1) acceptable government issued ID (excluding status cards).
- No birth certificate is required for an adult.
- Original or copy of long form birth certificate is required with your child's application, to confirm percentage.

ACCEPTABLE IDENTIFICATION INCLUDES:

- Driver's License (enhanced or regular)
- Provincial Identification Card
- Passport or Nexus
- Photo Health Card

You must supply two (2) passport pictures when applying.

The wait time for cards has been reduced from 4 months. If your card expires within this year, please contact **Kylene Williams** at **519-751-6462** to assist with processing your application. She will inform you what will be required prior to your visit with the INAC Office.
