

STATUS CARDS

As of **October 4, 2017** Indigenous and Northern Affairs Canada (INAC) has advised that they have a limited supply of laminated status cards available. All First Nation communities have been impacted.

Six Nations Lands and Membership will be provided with cards as they become available. Since the supply of cards has been reduced, please call the **Membership Office** at **519-445-4613** prior to your visit.

INAC has also amended the identification that is required to obtain a status card, and encourages application(s) for the secure card through their offices.

NEW IDENTIFICATION REQUIRED:

- One (1) acceptable government issued ID (excluding status cards).
- No birth certificate is required for an adult.
- Original or copy of long form birth certificate is required with your child’s application, to confirm percentage.

ACCEPTABLE IDENTIFICATION INCLUDES:

- Driver’s License (enhanced or regular)
- Provincial Identification Card
- Passport or Nexus
- Photo Health Card

You must supply two (2) passport pictures when applying.

The wait time for cards has been reduced from 4 months. If your card expires within this year, please contact **Kylene Williams** at **519-751-6462** to assist with processing your application. She will inform you what will be required prior to your visit with the INAC Office.
