Six Nations Mourns the Loss of a Tenth Community Member to COVID-19

On April 12, 2021, Six Nations Elected Council received notice from Ohsweken Public Health that a tenth community member has passed away due to complications from COVID-19.

Six Nations of the Grand River Elected Council would like to extend their condolences to the family of this community member and to all who are affected by this tragic loss.

Last week, Six Nations moved into Alert Level Red as the province moved into lockdown amid growing concerns surrounding the spread of COVID-19 variants. We must stay vigilant as a community and continue to follow public health guidelines to protect ourselves and each other against these variants.

To learn more about restrictions under Alert Level Red, please visit www.sixnationscovid19.ca.
