

**Six Nations Elected Council Statement
Nia:wen, Thank you!**

June 8, 2019

The past two weeks have been uneasy and uncomfortable for our community. On behalf of the Six Nations Elected Council, I would like to thank all of the staff for their determination and commitment to continue to provide services to the community. Council also appreciates your dedication and the support that you are extending to the community.

I also want to thank the community for their patience as we work to get the operations in place to ensure that we can continue to provide services to the community to the best of our ability.

We have been sending out daily updates and have made a statement on You Tube. We will continue to provide updates. If you would like electronic or hard copies of these updates please email info@sixnations.ca or call 519-717-5662. The central administrative staff have been resituated and operations are resuming. If you are looking for assistance, please call the central administration line at 519-445-2201 and we will re-direct your call to the appropriate person.

As we work through this situation, we want to emphasize that the best interest of the community is always at the forefront of our minds.

Chief Ava Hill
