

Before and After School Program

Gawajiyade Detenatgwa'ta

Family Gatherings

We provide a quality before and after school program *FOR WORKING PARENTS*. To Provide school children with positive relationships with caring adults and peers. An environment that strengthens social skills and character development. A safe and well-designed indoor/outdoor environment that is non-intrusive. Give children the opportunity to experience, participate and socialize in fun, safe and supervised activities. Allowing adults, youth and children to work together to instill the importance of our culture by making connections with each other.

The Before and After School program will start **September 5, 2018** and run the entire 2018-2019 year until **June 28**, including PD days, March Break and Midwinter ceremonies. Fees are due 1st of each month and are based on days of care.
