MOH Updates

Province extends emergency order until April 23
- The Ontario government has extended all emergency orders that have been put in place to-date under s.7.0.2 (4) of the Emergency Management and Civil Protection Act until April 23, 2020,
- new measures have been introduced to address surge capacity in retirement homes, restrict recreational camping on Crown land, and allow the re-purposing of existing buildings and temporary structures.

Ontario introduced the following new steps to help stop the spread of COVID-19. The government is:
- Making it easier to repurpose existing buildings and put up temporary structures, like tents, so communities can meet their local needs quickly.
- Temporarily enabling hospitals to increase their capacity by using the beds and services of retirement homes without certain labour relations implications during the declared provincial emergency.
- Prohibiting recreational camping on Crown land as of April 9, 2020.
- Supporting construction workers and businesses with emergency action to help improve cash flow in the construction industry during the COVID-19 outbreak.

The following emergency orders have been extended until April 23, 2020:
- Closure of public places and establishments with exemption for emergency child care for health care and frontline essential service workers
- Prohibiting events and gatherings of more than five people
- Work deployment for health service providers
- Drinking water and sewage
- Electronic service of documents
- Work deployment for long-term care homes
- Electricity pricing
- Closure of non-essential workplaces
- Traffic management
- Streamlining requirements for long-term care homes
- Prohibiting unfair pricing for necessary goods
- Enforcement of orders
- Work deployment for boards of health
- Work deployment measures in retirement homes
- Access to COVID-19 status information by specified persons
- Service agencies providing services and supports to adults with developmental disabilities
- Pick up and delivery of cannabis
- Signatures in wills and powers of attorney
- Use of force and firearms in policing services
- Closure of outdoor recreational amenities
