

PUBLIC WORKS NOTICE

PHASE ONE WATERMAIN EXTENSION

Six Nations Elected Council has secured approx. \$10.35 million from Indigenous Services Canada to extend the watermain to Oliver M. Smith and I.L. Thomas Elementary Schools.

The project has been awarded to Aecon Six Nations (A6N), a local company.

On April 2, 2018 A6N began working on the project at the intersection of Fourth Line and Onondaga Road. Work will progress east on Fourth Line towards Cayuga Road.

THE EXPECTED COMPLETION
DATE OF THIS PROJECT IS
NOVEMBER 2018

WHAT TO EXPECT?

Rolling Lane Closures

- One lane will be closed weekdays 7am-5:30pm.
- Lane closures will be maintained by flag people and traffic cones.
- Bus companies and emergency services will be notified.

Laneway Disruptions

- Representatives from A6N and First Nations Engineering Services Ltd. will be providing advanced notice to residents.

Delays

- Lower your speeds, give yourself ample time and always respect road signs.

CAN I CONNECT?

- Residents within the extension area wishing to connect to the watermain are asked to complete a Water/Sewer Hookup Application, available at Six Nations Public Works (1953 Fourth Line). A deposit of \$150 for renters or \$50 for homeowners is required.
- A6N or an A6N approved contractor can connect residents who have been approved by Six Nations Public Works. To contact A6N for further info call 519-226-5887.
- Residents will be responsible for the cost of the new connection from the waterline and decommissioning of their existing water system.
- The waterline may not be functioning until the project is completed in November 2018.
