Summer 2024
Leisure Activities Guide

June 1 - August 31, 2024

MESSAGE FROM SNGR'S CEO OFFICE

She:kon,

I am thrilled to inform you that the Summer 2024 Edition of the *Edwadrohe:k/Entewatia'taro:roke* Leisure Guide has been released! This guide is your gateway to a summer full of fun, learning, and growth. From June 1, 2024, to August 31, 2024, you'll have access to exciting events, programs, workshops, and classes that the Six Nations of the Grand River (SNGR) departments and community organizations have to offer.

I am always impressed by the efforts of SNGR's Communications and Health Promotions teams in developing such an outstanding resource for the community each season. Thank you for your hard work and dedication.

Nia:wen,

Nathan Wright, Interim CEO, Six Nations of the Grand River

MESSAGE FROM THE 59th ELECTED CHIEF

She:kon,

It's with great pleasure that I extend my warmest greetings on behalf of the Six Nations of the Grand River Elected Council. I am thrilled to invite you to explore a number of exciting events and activities that the community has in store for you this summer.

The aim is to provide you and your family with opportunities to not only engage in fun-filled experiences, but also to foster connections within our community. I express my heartfelt appreciation to all those who have contributed to organizing and bringing these events to life.

As the season unfolds, I hope that each moment spent participating in these activities brings joy, laughter, and cherished memories for you and your loved ones. May your summer be filled with kindness, good health, and boundless enjoyment.

Nia:wen to the leadership and hard-working staff for planning these amazing opportunities for our community.

Yours in unity,

Sherri-Lyn Hill, Elected Chief, Six Nations of the Grand River

What you should know about **WEST NILE** Virus

West Nile Virus is a virus mainly transmitted to people through the bite of an infected mosquito. Mosquitoes transmit the virus after becoming infected by feeding on the blood of birds that carry the virus. What are the symptoms? Most people who are infected with the virus show no symptoms or they experience mild flu-like symptoms, such as fever, headache, body aches or fatigue. The symptoms usually last for a few days. Call your doctor immediately if you notice any symptoms. Those being most at risk are the elderly and children .

For more information visit <https://www.canada.ca/en/public-health/services/diseases/west-nile-virus.html>

What you should know about **Lyme** Disease

Despite the colder weather, we are entering into a 2nd peak time for Black Legged tick submissions. Most ticks at this time of year are black legged ticks, as they aren't overlapping with the abundant American dog ticks (or Wood ticks). So when someone talks about ticks at this time of year there is definitely an increased level of interest and risk.

For more information visit Canada.ca/LymeDisease

**PREVENT

TAKE ACTION**

You can submit your ticks to Gane Yohs Health Clinic– Public Health. The ticks will be sent to the lab to test for Lyme Disease. Call Public Health 519-445-2672 or Health Promotion– Community Educators 519-445-2809 for Tick Submission information.

The Latest SNGR Litigation Updates

Six Nations Of The Grand River Band Of Indians V. The Attorney General Of Canada, His Majesty The King In Right Of Ontario, and the Mississaugas of the Credit First Nation.

Update Information:

First Update:

SNGR has met their deadline for expert reports of April 2, 2024. Though SNGR is prepared for the trial to begin in late 2024, this is unlikely to occur because a judge has not yet been appointed due to shortages. The date of the trial will be announced when it is confirmed.

Second Update:

Ontario has not fully met this deadline. The Mississaugas of the Credit will be serving their reports on May 1, 2024. Canada also wants some of their experts to testify in summer 2024 due to age and illness.

Registration Required: Front Desk | (519) 445-2954 | info@snpl.ca

CHECK IT OUT: We have more ongoing/multi-day programs on pages 43-45!

How Well...is your WELL

DID YOUKNOW?

That you need to have your well/cistern water tested at least 3 times per year, Spring, Summer and Fall. Or anytime you notice a change in your water. Pick up a test bottle today. We are located at White Pines Wellness Centre 1745 Chiefswood Rd.

What we test for and why?

We offer free bacteriological water tests for wells and cisterns on Six Nations

Coliforms and E. coli (types of bacteria) acts as indicators and help determine whether water is safe for drinking. **Coliform** bacteria is present in animal waste and sewage but may also be found in soil and vegetation, therefore, these bacteria may originate from septic systems leachate, animal manure or soil run-off. **E. coli** (Escherichia coli) are bacteria found in the intestinal tract of people and animals, therefore its presence in water would indicate recent sewage contamination. E. coli and other types of bacteria found in sewage may cause disease.

Next Steps:

If your water sample comes back indicating the presence of Coliforms and/or E-coli (forms of bacteria), follow the recommended disinfection procedures appropriate for your well/cistern. **Note: Your water may be unsafe to drink unless boiled or treated.** Follow up within one to two weeks with a second water sample after treatment procedures. If the second sample comes back indicating the presence of bacteria, follow-up with the Community Educator (CE) too contact the EPHO, (Environmental Public Health Officer). The EPHO will inspect your well/cistern and make **recommendations** on where the contamination could be coming from along with **recommendations** on what you could do to correct the problem. * **It is up to the homeowner/tenant whether they correct the problem.**

It's that time of year... To get your well & cistern water tested

Drop off water sample at Health Promotions office 1745 Chiefswood Rd. White Pines Wellness Centre (2nd Floor) by 2:00pm, Monday to Thursday. If you are an elder, please call for appointment to have your water tested by the Community Educator.

For more information contact the Community Educators located at Health Promotions **519-445-2809**

COMMUNITY DIETITIAN

Strawberry Muffins

Ingredients

- 1 1/2 cups whole wheat flour
- 1/2 cup rolled oats
- 1 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1 cup milk of choice
- 1/3 cup maple syrup
- 1/4 cup melted and cooled butter
- 1 egg, lightly beaten
- 1 teaspoon vanilla extract
- 1 cup diced strawberries, no stems
- 1 teaspoon lemon zest, optional

Directions

1. Preheat the oven to 400 degrees F and grease a standard muffin tin with nonstick spray.
2. Add the flour, oats, baking powder and baking soda to a medium bowl. Stir together.
3. Add the milk, syrup, oil, egg, vanilla, strawberries, and lemon zest, if using. Stir together gently to just combine.
4. Evenly divide the batter between the muffin tin using about 1/4 cup per cup.
5. Bake 16-18 minutes or until a toothpick inserted into the center comes out cleanly. Remove from oven, let cool for a minute or two, and remove to cool fully on a wire rack. Enjoy!

What Does a Registered Dietitian Do?

Kankonki (Good Mind) Child and Youth Programs of Six Nations of the Grand River Social Services

START BREATHING BETTER TODAY...

57% of First Nations adults living on reserve smoke daily, with the average reported starting age of 15.

Up to the age of 18, children spend about 15 years living with second hand smoke. Toxins remain in a room and seep into materials such as clothes, food, and furniture.

Nicotine Replacement Therapy (NRT) is most effective when paired with cognitive behavioural quitting methods to quit smoking long term.

GET HELP TODAY:

- Learn how to re-program your mind and quit long term
- Receive FREE Nicotine Replacement Therapy (NRT)
- Receive FREE coaching throughout your quit journey
- Receive extra available resources for FREE
