

# A by-law to provide for the erection or control of toilets or privies on the Six Nations Indian Reserve

Passed in General Council June 4, 1959.

The Council of the Six Nations Band of Indians at a meeting held at Chsweken, Ontario, makes the following bylaw pursuant to paragraph (a) and (r) of section 80 of The Indian Act.

By-Law No. 16

A bylaw to provide for the erection and control of toilets or privies on the Six Nations Indian Reserve, in the Province of Ontario.

- (a) The holder of a certificate of possession or occupant of every building or structure used as a dwelling or a place of business within the Six Nations Indian Reserve, shall provide a toilet or privy for the use of persons occupying or resorting to such building or structure.
- (b) Every toilet or privy shall be not less than One Hundred feet down grade from any well or water supply, unless approved by the Medical Officer of Health.
- (c) Such toilet or privy shall be of fly proof construction and shall be provided with a tight fitting door which shall be kept closed.
- (d) All toilets or privies shall be kept in a clean and sanitary condition.
- (e) The Council may arrange for the regular removal of night-soil from any premises within the reserve.
- (f) Night-soil from privies kept on premises pending removal therefrom shall be kept in a water tight, fly proof covered container.
- (g) Night-soil removed from premises within the reserve shall be taken to and deposited at a place within the reserve approved by the Council.
- (h) Any person who violates any of the provisions of this bylaw shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding ten dollars or imprisonment for a term not exceeding seven days, or both fine and imprisonment.

By-Law No. 16.

Passed in General Council June 4, 1959. A. D.

SIX NATIONS VILLAGES OF THE GRAND RIVER

The Council of the Six Nations Band of Indians at a meeting held at Ohsweken, Ontario, makes the following by-law pursuant to paragraph (a) and (r) of Section 80 of The Indian Act.

By-law Number 16.

A by-law to provide for the erection and control of toilets or privies on the Six Nations Indian Reserve, in the Province of Ontario.

(a) The holder of a Certificate of Possession or occupant of every building or structure used as a dwelling or a place of business within the Six Nations Indian Reserve, shall provide a toilet or privy for the use of persons occupying or resorting to such building or structure.

(b) Every toilet or privy shall be not less than One Hundred feet down grade from any well or water supply, unless approved by the Medical Officer of Health.

(c) Such toilet or privy shall be of fly proof construction and shall be provided with a tight fitting door which shall be kept closed

(d) All toilets or privies shall be kept in a clean and sanitary condition.

(e) The Council may arrange for the regular removal of night-soil from any premises within the reserve.

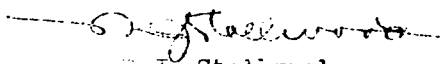

(f) Night-soil from privies kept on premises pending removal therefrom shall be kept in a water tight, fly proof covered container.

(g) Night-soil removed from premises within the reserve shall be taken to and deposited at a place within the reserve approved by the Council.

(h) Any person who violates any of the provisions of this by-law shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding ten dollars or imprisonment for a term not exceeding seven days, or both fine and imprisonment.

Passed in General Council at Ohsweken on the 4th day of June, 1959.

I the undersigned, do hereby certify this to be a true copy of the by-law passed by the Council and approved by the Minister.
